

God speaks to us in our hearts!

"Not my will but
yours be done."
(Luke 22:42)

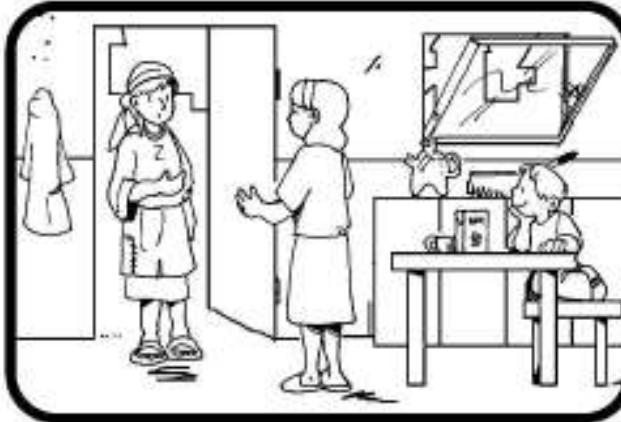

Jesus was speaking to a big crowd and explaining to them that His Father sent him on earth to do His will...

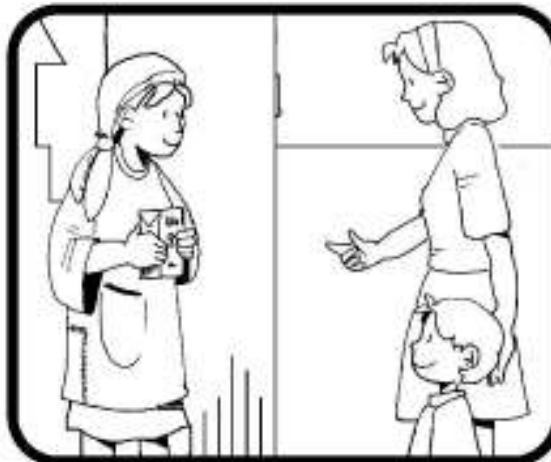

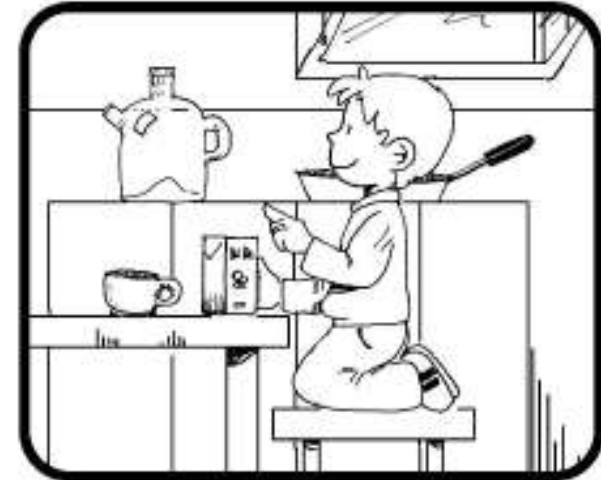

And God's will is that everyone believes in him and has eternal life (John 6:37-40).

We too can be like Jesus and follow the will of God. Let's learn to listen to His voice that speaks to us in our hearts.

Luis Eduardo from Belem in Brazil told his experience: One day, a very poor lady rang our doorbell looking for some milk. We only had a small bottle in our house that my mom wanted to use for my sore throat. We couldn't go and buy anymore.

And so my mom started to say "no" to the lady. Then I told her, "Mummy, there's Jesus in this lady, so we have to give her our milk."

My mum agreed and the lady was so happy to get the milk, and we were very happy, too.

The next day, to the surprise of everyone, a big package was delivered to our house. It was full of milk!
